

General

Location: Iligan City is located in the northern coast of Mindanao facing Iligan Bay, bounded in the north by the province of Misamis Oriental, in the east by the provinces of Bukidnon and Lanao del Sur and in the south by the province of Lanao del Norte. It is approximately 795 kilometers southeast from Metro Manila. It is the site of Mindanao's electric power source. The city is classified as lone district since October 20, 2009 which is now separated from the first district of the province of Lanao del Norte. It is 90 kms. away from Tubod, the capital of the province.
